As the capital of Henan Province, Zhengzhou is located in China's inland economic hinterland. It is the center of China and is connected to many provinces, thus it is an important commercial center city of China and an important economic center city on the new Asia continental bridge. The national west-east natural gas transmission, the south-north water diversion project both go through this place. It plays the important role of connecting east to west and linking the north and south people in the economy development pattern of China. Zhengzhou is a national famous historical and cultural city, a national sanitary city and an excellent tourist city, an opening to the world city, also it is an advanced city in progress pf science and technology. It has been listed in China's comprehensive strength Top 50 and investment hard environment Top 40. In 2010, its industrial structure was further optimized. Zhengzhou Commodity Exchange is one of three futures trading places in China and the earliest trading place.

Zhengzhou International Convention and Exhibition Center is one of three landmark buildings of the Central Business District(CBD) in Zhengzhou, consisting of two parts, namely, the Conference Center and the Exhibition Center. With an indoor area of 74,000 square meters, it is a large conference and exhibition facility that gathers meetings, exhibitions, entertainment, conference, catering and tourism as a whole.

Main building of the Conference Center has six storeys with a covered area of 60,800 square meters, of which the largest conference hall can accommodate 3,160 people for meeting. The Exhibition Center has two main storeys, six auxiliary storeys with a floor area of 166.800 square meters, consisting of two pavilions, conference rooms, catering facilities, offices and shops and so on. Outdoor exhibition area of it is 38,000 square meters. The outdoor parking lot covers 45,000 square meters and can accommodate 1,800 cars.
